

AORA 2025

Australian Organics
Recycling Association
ANNUAL CONFERENCE

3 - 5 June 2025

Newcastle Exhibition &
Convention Centre, NSW

Beyond the Windrow - Building industry resilience

Proudly supported by:

EXHIBITION + DEMONSTRATION OPPORTUNITIES

www.aoraconference.com.au

The AORA 2025 Annual Conference will feature the most up to date technology, equipment and services available.

The AORA Annual Conference is the principal conference in Australia for the recycled organics industry. Each conference is a forum for education, discussion and networking related to Organics Recycling.

This event will provide industry stakeholders with access to prominent experts in the field of organics recycling as they share their expertise and knowledge, demonstrate their equipment and technology, and showcase their innovative ideas.

WHY PARTICIPATE?

The AORA Annual Conference offers your business the opportunity to showcase your latest equipment and services in a face-to-face environment to a highly targeted audience.

Participating in the AORA Annual Conference will allow you to:

- Build new and strengthen existing relationships
- Increase product sales and collect highly qualified leads
- Generate brand exposure and raise your profile
- Demonstrate and test products and services
- Gain immediate feedback on your product or service
- Obtain technical knowledge
- Network with the right people
- Discuss business needs in a neutral environment
- Launch a new product or service
- Entertain prospective customers
- Analyse competitors' products and promotions
- Obtain first-hand market knowledge of developments in your industry

Raise your profile even more by becoming a sponsor – sponsorship offers even greater opportunities to raise awareness of your products, services or programs to a targeted, qualified audience.

For more information about sponsorship opportunities please contact Veronica Dullens on 0400 449 100 or email veronica@revolveservices.com.au.
